# Homecoming 1976

The morning of Friday, October 26, dawned bright and crisp as 1976 Homecoming activities got under way. The theme of "Movies" was portrayed in the parade by floats and novelties of various organizations. Winners in the float category were: 1st-Jrs., "Bad News Bears"; 2nd-Srs., "The Sting"; 3rd-Fresh., "Chainsaw Massacre"; 4th-Soph., "Guess Who's Coming to Dinner." Novelty winners were: 1st-St. Coun., "Gone With the Wind"; 2nd-NHS, "Jaws"; 3rd-FFA, "Earthquake." (NOT PICTURED) Spirit was aroused Thursday night with a bonfire and snake dance, but the Panthers were defeated by the Yorkwood Bears, 14-6. However, this did not seem to dampen the spirits of those attending the dance held afterwards. This event, sponsored by the Senior Class, included the crowning of the 1976 Royalty and music by "The Spoon River Journeymen."

## Time And Work Equal

The hours of work for the Rambler Staff are never ending. Besides arranging pages and writing copy, they also worked hard helping to finance the book. This year they sold advertisements for the regional tournament programs along with sponsoring the concessions at the games, selling stadium cushions and Panther jackets. Their loyal and faithful work make this Rambler possible.

BRUCE SHIMMIN

We are walking down the corridors of our lives.  
 There is a door ahead, opening into the future.  
 There have been many kinds of doors before:  
 Some demanding struggle to open, or inviting a gentle push,  
 Some slowly opening from within,  
 Others requiring the help of stronger shoulders.  
 Now—another door,  
 That enters into the next part of the corridor.  
 We pause—  
 To thank those who provided the opportunities  
 For the doors of our lives.

# What's The World Of Work Really Like?

This question and many other questions concerned with income tax, loans, credit, insurance, job interviews and resumes and numerous other areas of interest were discussed this year in Cooperative Occupational Education (C.O.E.) class. Ten seniors are taking this class at R.H.S. designed to better prepare them for the world of work through classroom training and on-the-job experience. Ms. Karen Galbraith is the Area Vocational Coordinator this year. The students attend regular classes in the morning and then use an actual job situation out in the community in the afternoon, to further their knowledge in their chosen careers. The students have found there is much to consider when choosing a career as it will be an important part of their lives.

## The Way We Were

Mem'-ries-  
Light the corners of my mind.  
Misty water color mem'ries  
Of the way we were.  
Scattered pictures-  
Of the smiles we left behind,  
Smiles we gave to one another  
For the way we were.  
Can it be that it was all so simple then,  
Or has time rewritten ev'ry line?  
If we had the chance to do it all again,  
Tell me would we?  
Could we?  
Mem'-ries-  
May be beautiful and yet,  
What's too painful to remember  
We simply choose to forget.  
So it's the laughter  
We will remember,  
Whenever we remember  
The way we were.
